Program subject to change. For complete program details, including session descriptions and speaker information, visit www.cmaanet.org/NationalConference.

Professional Development Credit

CMAA provides registrants with Professional Development credit for each educational session attended. In order to meet the varied formats for reporting mandated education requirements, credits are identified as Professional Development Hours (PDH) and Continuing Education Units (CEU). CMAA is registered with the American Institute of Architects (AIA) as an approved CES provider of Learning Units (LU). To receive LUs through CMAA, you must provide your AIA member number on all registration materials and attendance forms. Transcripts are available through www.aia.org.

CMAA is a registered provider of continuing education for the National Council of Examiners for Engineering and Surveying (NCEES). Transcripts and certificates are available through the NCEES/ACEC Registered Continuing Education Program (RCEP) at www.rcep.net. All transcripts are reported based on the email address provided to CMAA when you completed the online attendance form or the email address you used to register for an event.

Active CCMs can earn points toward recertification in accordance with the guidelines published by CMCI.

CMAA 2013 National Conference & Trade Show

October 27-29, 2013 • Aria Las Vegas • Las Vegas, Nevada

The CMAA National Conference and Trade Show means business. Achieving results demands a new way of thinking shaped by new ideas and attitudes. The **2013 CMAA National Conference & Trade Show** will help you discover and implement ideas that deliver results. It will train your mind to search for innovative solutions. It will provide opportunities to make valuable connections with other industry professionals as well as suppliers and service providers with solutions and outside-the-box thinking. Ultimately it will prepare you and your company for the road ahead while keeping your finger on the pulse of the CM industry.

Join more than 1,000 of your colleagues for three days of education, networking, business and inspiration. The CMAA National Conference & Trade Show is a smart investment that will pay off for you and your organization.

SPECIAL FEATURES

Sunday Opening Plenary

"Improving the Predictability of Project Outcomes"

A report of major research completed in 2013 by the Construction Industry Institute.

"Lake Mead Intake #3"

An update on the nine-year, \$817 million project adding a third water intake 370 feet below the surface of the nation's largest reservoir.

"If you care about excellence in project delivery, and about the success of your own business and career, you should be part of CMAA's National Conference & Trade Show. In fact, you should bring your whole management team to get the full benefit of this extraordinary event."

William J. "Bill" Gilbane III
Sr. Vice President
Gilbane Building Company

Monday Breakfast Keynote

"Extreme Leadership" advocate **Steve Farber** returns to CMAA by popular demand. Always engaging, Steve will impart thought-provoking, inspiring and eminently practical knowledge on being a leader.

Tuesday Luncheon Keynote

Join **Anna Franz**, Director of Planning & Project Management for the Architect of the Capitol and Chair of the Construction Industry Institute (CII) for a timely discussion on how successful teams create successful projects.

Conference Tours

Lake Mead Intake #3 Tour: Before you hear about it during the opening plenary session, take a site tour and witness it first-hand.

McCarran Air Traffic Control Tower: Nearly complete and standing more than 350 feet tall, this new tower is double the size of the old tower at the world's 22nd busiest airport.

Casino Back of House Tour: Las Vegas Casinos are among the largest and most complex buildings in the world. This tour will look at the expansive world underneath the casino floor.

Tours subject to change. For complete tour details, visit www.cmaanet.org/NationalConference.

2013 Conference Schedule-At-A-Glance

Conference Headquarters

Aria Las Vegas, located in the heart of CityCenter, features an unprecedented collection of world-class amenities including innovative guestroom technology, award-winning dining from acclaimed chefs, exhilarating nightlife and gaming, a luxurious spa and salon, premium meeting space, and Zarkana by Cirque du Soleil®. Recipient of the U.S. Green Building Council's LEED® Gold certification, Aria helps CityCenter redefine the Las Vegas experience.

The 18 million-square-foot CityCenter is one of the world's largest environmentally sustainable urban communities. An innovative approach to energy and water conservation, strict indoor air quality protection and a sensible selection of materials are just a few examples of Aria's commitment to maintain elevated green standards for both today and tomorrow. This led Aria to earn a 5 Green Key rating, the highest honor possible from the Green Key Eco-Rating Program.

Reservations:

All reservations must be made directly with the Aria Las Vegas. After **October 3**, the Aria cannot guarantee room availability or the group rate, but will make every effort to accommodate late requests. Rooms must be guaranteed and accompanied by a first night's room deposit. Reservations can be made online at www.cmaanet.org/NationalConference or via phone at 702.590.7757 / 866.359.7757. If making reservations by phone, you must mention the "CMAA National Conference & Trade Show" to receive the discounted rate.

Rates:

\$190/single or double room, with state/local taxes additional. Rates are available for the nights of October 24-30. A small number of rooms are available on a first-come, first-served basis at the government per diem rate (currently \$99 per night) for Las Vegas, Nev. To inquire about the government rates, contact the CMAA Meetings Department at 703.677.3370, meetings@cmaanet.org.
